## Membership Guarantee Program

It is important to us that members feel like they received great value for their dollar. For 2018 we have launched our new Membership Guarantee Program. We believe that everyone joins with the best of intentions of playing a lot of golf throughout the season – but things pop up, medical issues occur, family stuff happens, etc. We don't want anyone being disappointed at the end of the season – not to feel they didn't get their money's worth.

Here is how our new Membership Guarantee Program will work.

Calculations are based on 18 hole rounds.

### **BREAK EVEN**

- **Full Individual Membership & Weekday Individual Membership** 40 Rounds
- **Weekend Plus** 40 Rounds
- **Couples Full/Weekday Membership** 80 Rounds (between both people)
  
- If you meet or exceed the BREAK EVEN number of rounds your rate for the following year is the normal membership rate
- If you are between 75-100% of the BREAK EVEN POINT, 25% of the value of this year's membership will be applied towards NEXT years membership
- If you are between 50-75% of the BREAK EVEN POINT, 50% of the value of this year's membership will be applied towards NEXT years membership
- If you are between 25-50% of the BREAK EVEN POINT, 75% of the value of this year's membership will be applied towards NEXT years membership
- If you play LESS than 25% of the BREAK EVEN POINT your membership will be transferred into the year. You will only pay the difference between the 2018 and 2019 rate.

*This will allow you another season to amortize your membership benefit cost and to help you receive better value for your dollar.*

## Conditions:

- **In order to qualify** for this program it is necessary that you register in the PRO SHOP every time you come out to play. If you do not sign in you will not be eligible for the program.
  - **This program will only be valid** for year you have paid the full cost of a membership. Any credits can only be transferred to the 2019 season.

## Membership Rewards Program.

This program is basically a pre-paid BoQ Credit (Gift) Card that can be purchased in \$100 increments by members. This card is very flexible and can be used for the following: food and beverage anywhere on site, car detailing, lessons and golf and cart fees.

**Note:** Instantly rewards member 10% for their patronage. No need to collect or track points. However, the card cannot be used to pay for memberships or for golf merchandise.

**Example of how easily the reward works:** Purchase \$100 BoQ Credit (Gift) Card and instantly receive \$10 attached to the card—for every \$100 purchase you will (benefit) receive an extra \$10 on your card.
